October 8, 2016, from Alere Laboratories, with positive results for the presence of THC.

Ms. Butler reported to the U.S. Probation Office on October 11, 2016. At this time she admitted to smoking marijuana, and stated she did not admit to using marijuana the previous week as she was scared. She denied further use of controlled substances. Ms. Butler was directed to report weekly, in person, on Monday's for UA testing to monitor her THC levels.

On October 17, 2016, Ms. Butler reported to the U.S. Probation Office as directed and submitted a UA test. The test was sent to Alere Laboratories for confirmation and testing. Results were received on October 21, 2016, confirming this sample was positive for the presence of THC.

Ms. Butler reported on October 24, 2016 and provided a UA test that was presumptive positive for THC. She denied further use of marijuana at this time. Results of this test were received from Alere Laboratories on October 27, 2016, and confirmed the sample was positive for THC.

On October 31, 2016, Ms. Butler report and provided a UA test that tested presumptive positive for THC and cocaine. Ms. Butler denied using either substance, and the sample was submitted to Alere Laboratories for further testing. On November 3, 2016, results from Alere Laboratories were received which confirmed this UA test was positive for THC and cocaine.

Ms. Butler was contacted by phone on November 4, 2016. She admitted that her last use of marijuana was on October 26, 2016. She was directed to continue reporting, in person, to the U.S. Probation Office in Richland to continue UA monitoring.
